

Free Financial Coaching for Veterans and their Spouses.

- ◆ Do you have financial goals that you have never even started yet?
- ◆ Are financial problems causing marital, health, and employment issues?
- ◆ Are you tired of living paycheck to paycheck, and find yourself using payday loans or other predatory lenders to get by?
- ◆ Are financial concerns overwhelming, and the options confusing?

A financial coach works with you to help you identify your financial goals, create a plan, and track your progress so you can actually achieve your goals!

What are the benefits of Financial Coaching?

The Financial Coaching Program is **FREE** for **Veterans and their spouses**, and is being paid for by the Consumer Financial Protection Bureau's (CFPB) Civility Penalty Fund.

A **safe and confidential place to talk about your finances** without the fear of being judged, or being pressured into buying a financial product or service.

One-on-one sessions with an experienced Financial Coach who will provide you with, encouragement, accountability, and the financial resources that you need to reach your goals!

Self-confidence to manage your own finances **without having others control your dreams, or your goals!**
